Career statement:

I am devoted to working full time with paediatric orthopaedics as a specialist orthopaedic surgeon. I did my Clinical Fellowship in General Paediatric Orthopaedics at the Children's Hospital, Westmead in Sydney, Australia. My daily practice is focused on paediatric orthopaedics. Besides that I take part in the specialist on-call rotation to manage orthopaedic emergencies at Aarhus University Hospital. I consider research to be important for improving care of children and work on a number of research projects.

Education:

Sep 2014 – present	Specialist Orthopaedic Surgeon
Sep 2009 – August 2014	Enrolled in the training programme in Orthopaedics
Nov 2007 – Oct 2008	Introduction to Orthopaedics Department of Orthopaedics Silkeborg County Hospital, 12 months Aarhus University Hospital rotation
May 2006 – Oct 2007	Pre-registration training (surgery, medicine & general practice) Silkeborg County Hospital, 18 months
Sep 1999 - Jan 2006	Master of Medicine University of Southern Denmark, 13 semesters

Academic degrees:

22. Feb 2013

PhD
Health, Aarhus University

Thesis entitled:

Guided growth of long bones using the tension band
plating technique - Experimental and clinical studies
